Early Learning Resource Library Volunteer Appreciation

Partnership for Children Executive Director, Dr. Dwight Morris and Partnership Board member, Mayor Charles Hester, along with Early Learning Resource Librarian, Darrella Cavanaugh, welcome Johnston County Industries (JCI) Board Chair, John Shallcross, and JCI Board member, Durwood Woodall, to a reception honoring 18 Johnston County Industries volunteers who have worked at the Early Learning Resource Center during the past few months. “The service of the volunteers has allowed me to do my job and focus on providing resources for the children,” said Cavanaugh.
